Annual Monitoring/Reporting – Approval 2011/5827

TOA provides this report in accordance with its reporting obligation specified in the Approval Vegetation Removal, Transmission Line and Substation for Mt Mercer Wind Farm, Elaine Victoria (2011/5827) under the EPBC Act 1999.

TOA has received the following documentation in support of this annual report:

- October 2014 to January 2015 **Offset Management, Saxon Paddock Warrambeen** monitoring report including Golden Sun Moth populations by a qualified ecologist (refer to attachment 1); and
- Completed Landowner Monitoring and Reporting Form of the Offset Management Plan (OMP) from the landowner of offset site, Warrambeen Trading Co Pty Ltd.

Please contact Mark Nan Tie on (03) 9683 4572 if you have any questions.

Yours sincerely

Eric Lindner

Chief Executive Officer

Transmission Operations Australia
